

ARTHUR AND THE INVISIBLES

INCREDIBLE CREATURES

What would you look like if you were turned into an Invisible? What would be your unique characteristic?

Imagine you are an animator working on the film Arthur and the Invisibles. It is your task to draw yourself as an 'Invisible' below and include labels and annotations which describe your unusual characteristics. As your character will be 3D in the film you might like to draw smaller images of your character from different angles.
