

GONZO

Gonzo is a daredevil. To date, his most daring act has been trying to catch a cannonball fired from a cannon in his bare hands. Think up the most daring stunt he could do on the new Muppet Show.

Gonzo has a special way with chickens. He has a posse of poulets that follow him around. Think up a suitable song that Gonzo could sing with feathered friends.

What type of animal do you think Gonzo is?

Disney THE MUPPETS

Gonzo is also known as Gonzo the Great. He is a true artiste - trumpet player, photographer, plumbing magnate and chicken-whisperer, Gonzo is the original can-do Muppet. He doesn't need much persuasion to dust off his cannonball catching outfit and go back to the Muppet Theatre with Kermit and the gang.
